Minutes from Nov 1, 2013 meeting were approved – One change is tractor pull is Springhill not Haynesville

Treasurer Report had balance of \$677.81 in bank – Report was approved

OLD BUSINESS

- **ENCLOSED TRAILER** - Trailer has been bought and paid for.
- **SPRINGHILL Tractor pull** – Jesse, Chester & Dennis Wink went to Springhill one Monday in November & talked to James Burns and others about showing them how to put on a tractor pull in their area. Mr Burns has an investor that will support this financially. Several sites were looked at, Our club requested that instead of them coming to get the sled & scales that for a fee of \$500 and ½ of the hook fees we will bring the sled, scales & put on the 1st pull for them (showing them also how to do the paperwork, etc). We will plan a date at the January meeting when we look at our 2014 calendar. James Burns' club is not set up to pull tractors, they have tractors that they take around to show. The investor wants them to organize a Pulling Club to draw local people.
- **RUSTON PULL** – Bill Little stated that the name decided for the Ruston Pull was “Antique Day at Ruston”. This name was also agreed upon for our Club. Had several ideas that would involve the children but we are limited with members to operate these games. Their club discussed putting some of the revenue from the Pull back so they could afford to advertise & maybe a budget set up for the Pull. All this was just information purposes
- **PLAY DAYS** – Cancelled due to rain – will try again in the Spring/Summer

NEW BUSINESS

- **ANTIQUÉ ALLEY** – It was suggested that some of us might want to take a tractor (s) to Antique Alley next week to show. The LaSalle Club did this last year – check with them for particulars
- **JANUARY meeting** – Jesse reminded everyone that we would be electing new Vice President & Treasurer at our January meeting – ALSO club dues will be due at that time.
- Motion was made to adjourn.

**MERRY CHRISTMAS & HAPPY NEW YEAR TO
ALL**
