NEW BUSINESS

- Chester and Jimmy went to the Sweet Potato Festival meeting. It was suggested at meeting that if we could get a flyer printed up that Adam Holland would print on the back side of their flyer which would be handed out to all the campers as they register at the Trailer Site. Kim Ruffin agreed to do this
- MARKET BULLETIN – Rosalea will help get all the info on our pulls to the Market Bulletin
- Sweet Potato Festival Meeting – next meeting is March 21st at the Chamber of Commerce office –good for our Club to attend to gather information
- HOT WATER HEATER – Tommy Roberson from Oak Grove has donated a small hot water heater to our tractor club. Brenda will send a thank you note to him. This is greatly needed and appreciated.
- Nelton Hill from Oak Grove will be on KNOE on April 4 to advertise the Sweet Potato Festival. Suggestion was made that it would be nice if one of our members felt comfortable to go on TV with him to advertise our Pull for the Festival. If anyone wants to volunteer call Dennis Wink or Chester Abernathy
- HENDERSON PULL – is in April and should be getting info on rooms to rent there so if you plan to go we will get the info on our website for a number to call.
- WEB SITE – please refer to website during the month for any additional items added or information pertaining to our club members (Ken put the obit on Bill & Faye’s son on the website for our members)
- Pull Back Tractor for the April 6th pull was mentioned and Jimmy Ruffin said we could borrow his.
- Discussion on the next meeting place – The Cheniere Shack in Calhoun was mentioned but would be farther for some of the group to go and we would be back to ordering from menu & waiting on all to be served.
- The next meeting will be at the Piccadilly again in Monroe on April 5th. (PLEASE NOTE THAT WE FORGOT THAT IS THE DAY BEFORE OUR OAK GROVE PULL and we had previously decided not to have one in April as all will be busy that day and night getting ready for pull next day.)
- Motion to adjourn

NO MEETING IN APRIL DUE TO PULL

NEXT MEETING MAY 3rd at 7:00 PM at

PICCADILLY in Monroe
