OLD BUSINESS

- **BANK ACCOUNT** - Brenda reported that Community Bank was unable to accept our account with no fees as we are not incorporated as non-profit – they have an account with no fees if balance doesn't fall below \$200. Bank account will remain at Regions for now
- **TV – April Pull** - Channel 11 on regular cable TV filmed our Sweet potato pull and will be aired on their station soon. We will try to get a copy of this for our members.
- **Thank you to Jimmy Cook:** the club would like to say a special thanks to Jimmy Cook for helping us announce at the Pull. Hopefully, he will help us in the future

NEW BUSINESS

- **Insurance cards for tractor pullers** – We will begin to ask to see insurance cards at each of our pulls so members will be use to presenting them as we will help host the Regional Pulls for EDGETA in August 2015. Each driver will be asked to show his card as he registers and pays his hook fees.
- **PULL SITE** Chester stated that Larry Wink is putting his travel trailer on the back of our Pull Site and will put down a new water meter for his use. It was suggested that this would be a good time for the Club to move our water meter so we don't have the problems we have had in the past with it getting broke and a large water bill. The motion was made and passed that we will move our meter and pay ½ of the cost to do this.
- **JUNE 7th PULL** Chester asked if we could list the jobs that are needed for a pull – ask at least 2 members sign up for each job and then no one would have to stay on that position for a long time without someone to help them. The following jobs were assigned:
 - Sound System/monitors** – Richard Wilkerson and Ken Clow said he would be glad to help set this up.
 - Sled Operators** - Roy Wink & Richard Wilkerson
 - Scale & Line Up** - Jesse Abernathy & James Little
 - Safety/Flagman** – Bill Little and he will need some more help
 - Pull Back Tractor** – Jimmy Ruffin & he will need some more help

- **If you have not been asked or did not volunteer please call Chester at 318-237-1363** & let him know what job you would like to help with
- **Monitors** – reported that Richard has ordered parts and will come over before pull to fix
- **Drive shaft** on sled needs to be fixed
- **Table** – Club voted to purchase another table for the scales – Generators were discussed but tabled for now
