

JUNE 8, 2013

Boeuf River Tractor Pull Site – Fiske Union

Dennie Wink called the meeting to order and Chester led in prayer

- **OLD BUSINESS**

RUSTON PULL – July 6th - We are to bring our sled and anything that is used pertaining to the sled

Richard Wilkerson volunteered to bring the sled to Ruston with his 18 wheeler and if he cannot Randy Abernathy said his truck would be here in Oak Grove for someone to use if he were not around

TODAY'S PULL – Brenda stated looked like we had about 30 or so tractors and 46 hooks. Was a great day for a Pull!

NEW BUSINESS

- ❖ EDGETA – Our insurance company called to say that we had been picked to host the Regional Pull for the EDGETA insurance for the year 2015. We were to give them a date and then it COULD NOT BE CHANGED once it was sent in to EDGETA.

Our Club and the North La Vintage Club has agreed to host this event if both Clubs agree. It would be held at the Ruston Expo Center in Ruston La with a date to be set later after talking to the Expo Center re: dates available.

Motion was made & seconded that we agree to do this. Dennis Wink & Bill Little will be checking for a date.

- ❖ Brenda requested that our club reimburse Betty Wink \$150 for purchasing a used refrigerator to go in the concession stand. We have a freezer but did not have a refrigerator – Motion was made and seconded and was passed
- ❖ Items discussed that the Club might want to purchase in the future was:
 - Enclosed trailer for monitors, tables, chairs, etc. so we could just pull the trailer to wherever we needed
 - Richard suggested a red & green light to fit under spectator's monitor with a Miles Per Hour
 - Both of these items would be in the \$2000 range – and would be discussed at a regular meeting in the future

Motion was made to adjourn.

**NEXT MEETING JUNE 28th at 7:00 PM
at PICCADILLY in Monroe**

**CHECK OUT THE WEB PAGE
Ken took pictures of the Tractor Pull
June 8th & minutes are available
for all the meetings**
