OLD BUSINESS

- **WATER METER** at Pull Site – Reported that the meter has been set & tied into water system. We do not have a bill yet on any of the costs.
- **INSURANCE CARDS** – Brenda stressed that each member **MUST** have their insurance card to show at any of the EDGETA pulls. The sticker must be current (2015).
- **RUSTON PULL** – Discussion followed with various plans made for pulling sled & scales to Ruston then on to Springhill for the pull the following weekend after Ruston Pull – Will leave Oak Grove around 9:00 AM on Friday August 15th to set up for Ruston Pull
- **SPRINGHILL PULL** – Discussion on places to stay to keep from going back & forth from Winnsboro, Oak Grove etc will need to go Friday morning to be sure all is set up and ready. James Burns from Springhill was with us to ask questions and answer questions we had about their Pull. He is looking into motel rooms for us to stay on Friday.

James Burns and his group will provide a tent frame with tarp if needed for paperwork & announcer's table – there is concrete seating but can bring lawn chairs if you would like – No gate fee and Boeuf River Club will keep the hook fee of \$10 per hook for this year as they do not have a formal club at this time

James Burns also requested an insurance statement from EDGETA to give to his sponsors. Jesse will see to this.

Several people are considering taking their tractors on up to Springhill after the Ruston Pull and leave them to keep from hauling them back home and then back to Springhill the next weekend. Sled & scales will be taken on up there

- **ARCADIA** the tractor display at Arcadia was very very interesting. Had lots of antique tractors and we had a few members from clubs bring their tractors to display.
PLAY DAY – SEPTEMBER 13th (Saturday) – Any one interested in just coming to pull and have a good time is invited. No charge if you are a member of any EDGETA tractor club. If you are not a member, Boeuf River Club will waive the membership fee, enroll you in our club but there is a \$10 fee for insurance for the rest of the year. Boeuf River Club will provide snacks.

NEW BUSINESS

- **UMBRELLA for SLED** – Motion made & passed to purchase a buggy top or umbrella to fit over the person running the sled. Possible place that might have one is Tractor Supply for about \$100

Meeting adjourned.
