Minutes from August 5, 2016 meeting were approved.

Treasurer's report showed \$3,644.84 in bank and was approved. This balance is AFTER we deposited all receipts from Ruston Tractor Pull and BEFORE expenses were paid out.

**OLD BUSINESS**

- Ruston Pull was huge success. Stats should be on web page along with pictures. We had about 60+ tractors and 116 pulls. Spectators were down probably due to cloudy and rainy weather.
- Brenda showed a Northeast La. Tourist Guide that has our advertisement in it and will for the rest of the year. Thanks to AACTS (Norm Davis) in Oak Grove. These are distributed to lots of area stores and are free.
- Insurance was again discussed. Will try to get a definite answer as soon as we can.

**NEW BUSINESS**

- October 15 is the Jena Pull. Hope to see everyone out for their pull
- October 29 is the State Fair Pull. East Texas should have info on their web site.

Meeting was adjourned.

**NEXT MEETING IS OCTOBER 7<sup>th</sup> at PICCADILLY IN MONROE.**
